

Top Secret

Mission Implausible

Testing analytical skills and creativity, as well as encouraging effective teamwork, Mission Implausible sees participants divided into “specialist groups” and each given a top-secret mission to complete. The mission will be conducted on foot. It involves teams moving from one location to the next, undertaking a series of challenging activities as they go – clues must be cracked, information gathered and physical & mental tasks completed. It’s completely down to the team to decide how go about completing their mission. Side tasks can include:

- Supply & Delivery
- Nuclear Stabilisation
- Survival Rations
- Undetectability

Each team is equipped with a top secret mission dossier to record their progress, in a high energy activity that’s guaranteed to enliven and enthuse.

ALL PACKAGES INCLUDE:

- Mission pack for each group/team, including mission dossier, map, compass and all timing details for agent training assignments
