# Selection of Teas

**Chai Black Tea**
Our finest Ceylon black tea with an exotic blend of traditional herbs and spices for a full-flavoured, extra strength Chai tea

**English Breakfast**
An Elegant and sublime black tea with a clear English Breakfast taste, soft and round with low bitterness. This is the perfect all round tea that fits any occasion.

**Earl Grey**
A refined and fragrant black tea, delicately infused with bergamot for a floral, citrusy character. Distinctive yet balanced.

**Perfect Peppermint**
A strong and intense mint scent will instantly spread when brewing this tea. Packed with two different types of mint which give a punchy character and some mellow sweetness.

**Super Berries**
A fruity and vibrant tea with a lot of fragrance and a beautiful dark red colour. Hibiscus and rooibos make the tea full bodied and flavourful with hint of a sweet and refreshing berry taste.

**Pure Green Tea**
Beautiful flavours of new cut grass and a light green colour. This unflavoured classic green tea contains the classic smooth and mellow tones as well as a lovely freshness and a hint of citrus.

**Green Tea & Pomegranate**
This fruity tea has a rose gold colour with a subtle pomegranate and flowery smell. The Sweetness in the fruit balance delicately with the bitterness of the tea.
