Try Local

At The Elvetham, we're passionate about celebrating the best of our local area, from soil to plate.

Our kitchen garden flourishes just steps from the kitchen, providing fresh, seasonal herbs and vegetables that inspire our daily menus and bring vibrant flavours to every dish.

We're proud to serve only the finest quality meats, sourced from seven trusted local Hampshire farms who ensure that every cut reflects the highest standards of freshness, sustainability, and care.

Alongside our farming partners, we work with a network of local producers who share our commitment to quality, traditional craftsmanship, and responsible sourcing.

By choosing to dine with us, you're tasting the heart of our community.
