Selection of Teas

Chai Black Tea

Our finest Ceylon black tea with an exotic blend of traditional herbs and spices for a full-flavoured, extra strength Chai tea

English Breakfast

An Elegant and sublime black tea with a clear English Breakfast taste, soft and round with low bitterness. This is the perfect all round tea that fits any occasion.

Pure White Tea

Our superior organic white tea, traditionally produced for a subtle, light and citrusy taste.

Perfect Peppermint

A strong and intense mint scent will instantly spread when brewing this tea. Packed with two different types of mint which give a punchy character and some mellow sweetness.

Super Berries

A fruity and vibrant tea with a lot of fragrance and a beautiful dark red colour. Hibiscus and rooibos make the tea full bodied and flavourful with hint of a sweet and refreshing berry taste.

Pure Green Tea

Beautiful flavours of new cut grass and a light green colour. This unflavoured classic green tea contains the classic smooth and mellow tones as well as a lovely freshness and a hint of citrus. A delightful tea for all seasons.

Green Tea & Pomegranate

This fruity tea has a rose gold colour with a subtle pomegranate and flowery smell. The Sweetness in the fruit balance delicately with the bitterness of the tea, as well as intensifying the flavour of the green tea.
